seminar!

Think!

How Do We Grow Our Congregation?

Are We Utilizing Our Key People?

How Do I Get The Congregation on Board?

Are We Using Our Building Efficiently?

Do We Have Enough Classrooms?

Do We Need A Master Plan?

Do We Need To Expand, or?

Do We Need To Update Our Facility?

Is Our Building Efficient?

Where Do We Start?

What Are Our Options?

How Can We Afford It?

How Important is a Capital Campaign?

How Much Can We Borrow?

Seminar Schedule

** There will be breaks between sessions **

Pastor Troy Benitone:

* Forging the Culture of Your Church www.cofchurch.org

Troy has planted churches both nationally and internationally and led numerous camps, conferences, revivals, crusades and seminars on church development and is the author of the book *Making a Church from Scratch* published by Bristol House Ltd. He is also working on a new book entitled *The Essence of Ministry*.

Adams Architectural Associates:

* Ecclesiastic Architect www.adamschurches.com

Matt Adams, AIA NCARB, is an award-winning architect for church design and provides a full spectrum of services for over 35 years. Designing for your needs and within your budget!

John L. Hessel & Associates:

* Ministry in Capital Stewardship www.hesselassociates.com

Pastor John, Founder, John L. Hessel & Associates, has personally led over 250 capital stewardship campaigns since 1982.
Bridging the Gap...from Vision to Reality
